All,

I wanted to follow up with you all regarding two establishments located along the Walk of Fame – Chocolate Bar (1635 N Vine St) and Juicy Wingz (6340 Hollywood Blvd).

Both of these establishments applied for sidewalk dining along the Walk of Fame. After consulting at length with community stakeholders (including some of you), LAPD and BOE, CD13 is **supportive** of the sidewalk dining at these two locations.

There are, of course, several conditions that must be followed in order for the Revocable Permit to be granted. Some of these conditions may be of particular interest to you, and I am listing them below:

1. All tables/chairs/etc. must be at least **18 inches away from the stars**
2. All tables/chairs/etc. must be removed nightly no later than 11:00 PM and not permanently affixed
3. **No alcoholic beverages** (service, sales or possession) on the sidewalk area
4. No amplified or ambient music/sound allowed in the outdoor dining area

It's important to us to maintain the appropriate balance between enhancing street life and activity along with Walk of Fame while also protecting our one-of-a-kind historic landmark and cultural attraction – AND being cognizant of public safety needs as well.

We believe that the conditions for these two locations achieves this

balance. Please let me know if you have any questions.

A wonderful holiday weekend to all,

Josh,

Thanks for all your help. Since Officer Eubank is out, I wanted to connect you directly with Captain Cory Palka. The Captain is a great partner in our community and in all public safety matters.

Captain -- Josh Garza is with Kilroy Realty and is the property rep for the Academy Square site at Vine/Homewood. Joe Eubank has been incredibly helpful but as you know is currently out on leave.

All,

I wanted to let you know that the ZA's determination revoking the CUB at Cosmo (6364 Hollywood Blvd) has been *APPEALED.* The establishment can remain open while the matter is being appealed.

The next step will be for the case to go to the City Council's Planning, Land Use & Management (PLUM) Committee. We will keep you posted regarding when it is scheduled for PLUM. It will be our recommendation to PLUM that the Committee deny the appeal and uphold the ZA's determination revoking the permit.

After it is voted on in PLUM, the matter will be voted on by the full Council.

Let me know if you have any questions.

Thanks,

Hello gentlemen,

Do you think we could get some extra Hollywood Div. patrol on *Santa Monica Boulevard b/w Highland and El Centro* this week?

This is in response to a request from the Hollywood Fringe Festival.
Thousands of people expected in the area to see dozens of different shows at our small theatres.

Apparently there was a carjacking in broad daylight the other day,
prompting the request.

Here are the requested times:

Monday-Thursday: 4pm-1am

Friday: 4pm-2am

Saturday: 12p-2am

Sunday 12p-1am

Thanks!

Dan,

As I mentioned, there was a carjacking in the middle of the day over the weekend near Sacred Fools. With all the people walking around for Fringe, we would love to see some additional police patrols around Theatre Row through the end of the festival on June 26th.

For the rest of the week, most of our traffic will be during the following hours:

Monday-Thursday: 4pm-1am

Friday: 4pm-2am

Saturday: 12p-2am

Sunday 12p-1am

Thank you for all your help,

Cory and Mike,

When the H&H scramble (diagonal) crosswalk was installed, at the beginning we had some LAPD officers "on the lookout" around the intersection making sure that pedestrians ONLY cross during their phase.

It's pretty clear now that pedestrians can only cross all at once, and not at any other time. However I've been getting some calls and apparently people are still crossing illegally.

Would LAPD be able to monitor the intersection to make sure folks are not crossing illegally?

Thanks,

Letty, Cory and Eddie:

I hope you are all well and have enjoyed your respective vacations!! :)

I am following up on a matter I spoke about with Cory and Eddie a while back. A group of residents on La Cresta Court b/w St. Andrews Pl and Western Ave have gathered petitions for an Overnight Parking District (OPD). We are fully supportive of this, but we need an LAPD letter of support as well since it related to public safety.

This is the Western Ave corridor; based on our discussions in the past, LAPD would be supportive of this OPD.

I have drafted a letter for Captain Palka - ATTACHED... just needs a signature. Could you please help me out with this? :)

Thank you!

Dear Cpt. Palka,

The delivery big rig is back and double parked and idling. It's 11:28 pm.

Please see a picture of it attached hereto and a short video recording. I just took those prior to e-mailing you.

Lt. Baez was aware of this problem and talked to the big rig operators and for a while it was OK. Now they are back.

Please do something about it and abate this nuisance. This is a small and narrow street with no place for idling big rigs.

Truly yours,

luminita roman

Thanks, Doug!! Do you have the names of the carriers for these violations in particular:

-2 RFCs for carriers operating with suspended authority

-3 traffic citations (one for driver with a suspended license, one for a vehicle not being commercially registered, one for a moving violation)

Thanks again,

Good morning Capt. Zarccone and Capt. Storaker,

Tomorrow morning at 9:30 AM we will be holding our monthly district walk, and this month we will be in Hollywood. We will be starting at Hollywood Rec Center.

Would it be possible to have a patrol car on site and accompany the Councilmember from approximately 10-11 am? We have had some issues in the past and feel safer if LAPD has a presence.

Please let me know... Thank you!

Captain Zarcone,

Hoping you can help point us in the right direction. Please see below -
LAPD sign at Whitley/Hollywood is blocking the digital pedestrian sign.
LADOT installed it but does not maintain. Do you think LAPD could help get
the sign adjusted?

Happy to help follow up with the appropriate person.

Thanks!

Hi Tim - this sign is covering the time clock on the digital sign. I
was just crossing this intersection and a man on a cane was next to me
and he could not see how much time he had left to cross. Do you think
we can get this fixed? thank you!

It's on the North west corner.

Hi all:

Would you be available for a meeting to discuss some of the nightclub issues? Let me know if Thurs 6/11 at 8:30 would work. I can come to the station.

FYI, I spoke with Luminita, the constituent on McCadden regarding Cashmere - she told me she had reached out to Dep. Chief Girmala as well.

Please let me know if Thurs works. Thanks!

Captain and Letty,

Could you please let me know when Maggie and Julie's last day(s) as Hollywood SLOs will be. As both the councilman and I have worked with them for many years, we would be honored to get them both a certificate and thank them for their years of service to Hollywood division. We would like to arrange for Mitch to present the certificates to them if it works out.

Thanks!

Hello LAPD team,

I just wanted to confirm that we will have LAPD presence at our Ivar Ave follow up meeting tomorrow. I believe there is some training so I'm not sure who is available. But please advise - we will be reconvening to discuss how things have gone over the past month or so on Ivar.

Thanks again for all your help - from what I hear there has been a lot of improvement.

Please let me know, thanks!

ADVISORY: O'FARRELL TO ADDRESS STATE OF NIGHTCLUB CULTURE IN HOLLYWOOD

HOLLYWOOD - Los Angeles City Councilmember Mitch O'Farrell, joined by the Los Angeles Police Department, will make a statement regarding recent permit violations at a popular nightclub venue, while also encouraging other nightlife establishments to strive for a safer Hollywood that lives up to its world-class brand.

O'Farrell will comment on these recent permit violations, and dangerous incidents related to the nightclub culture, during a press event on Thursday, October 8, 2 p.m., on the southeast corner of Hollywood Blvd and Las Palmas Ave, Los Angeles, CA 90028.

The Councilmember will be joined by a representative from the Los Angeles

Police Department [PLEASE CONFIRM], the Department of Building and Safety [PLEASE CONFIRM], and members of the Hollywood community.

When operating a club in the City of Los Angeles, establishments must receive a conditional use permit from the City. The permit dictates various guidelines for operation, which could include hours of operation, age restrictions, alcohol and food sales, capacity, and promotions. Many clubs in Hollywood have been cited for violating these types of conditions.

In August 2015, a 20-year old male died at a Hollywood nightclub, and in a separate incident last Fall, investigators say a female college student was sexually assaulted.

Hi Daniel,

See you then!

Attached is an excerpt of a clip I have on my phone with a saxophone street performer who went unchecked at 3AM last Wednesday morning for approximately 3 hours with multiple 1600 VINE resident complaints. The rest of the clip highlights how loud both the Argyle and the Equestrian Club became around the same time; however, the clip was too long to send in its entirety.

I will also send you a longtime resident complaint regarding the same night and same issue.

Hi everyone,

Could you please keep this situation on your radar. Apparently the valet company along Cahuenga is illegally removing posts and parking vehicles into the EaCa Alley.

See attached photo.

Could you please keep this on your patrol route for evenings and check up on this. I warned the valet operator and watched him fix everything but I want to make sure it doesn't happen again.

Thanks!

Hi Dan,

It was good seeing you the other night. What a cool event!

I know you are aware of the hot dog vendor issue we have at the Palladium. We haven't had a regular show in a while so this hasn't been top of mind for me. There were about a dozen hot dog vendors surrounding the doors on Sunset as our show let out tonight. Another 15 at Argyle. We have off duty PD and Security shooin' them, but there are so many. I took some photos from our security cameras as it would be difficult to capture this from the ground. As you can see, the vendors are creating a wall blocking the exit. With hot grease and all of that traffic, it's an accident waiting to happen. I'm not sure how or if you can help, but I thought I would let you know.

Thanks,
Stacey

Hi Dan -

I just saw this in the LA Times, do you know anything about this?

<http://www.latimes.com/local/lanow/la-me-ln-animal-rights-protesters-hollywood-20160711-snap-htmlstory.html>

A group of animal rights activists called Direct Action Everywhere is planning to march down Hollywood Boulevard on Monday afternoon to protest violence against animals, said Zach Groff, a member of the organization.

The group plans to meet at Dorothy J. and Benjamin B. Smith Park on Franklin Avenue and, at 1:30 p.m., to march down to the intersection of Hollywood Boulevard and Highland Avenue, where they are planning to block traffic, Groff said. Protesters will hold signs, he said, depicting scenes from Hormel Foods facilities and signs decrying animal violence.

Dear Cpt. Palka,

The delivery big rig is back and double parked and idling. It's 11:28 pm.

Please see a picture of it attached hereto and a short video recording. I just took those prior to e-mailing you.

Lt. Baez was aware of this problem and talked to the big rig operators and for a while it was OK. Now they are back.

Please do something about it and abate this nuisance. This is a small and narrow street with no place for idling big rigs.

Truly yours,

luminita roman

Capt. Zarcone, Sgt. Ramos, Officer Isabella:

There is an ongoing issue w/ Madame Tussauds with which you may be familiar. This is regarding noise from the courtyard (separate issue from the roof).

Apparently there was a call made yesterday, and another one just a short time ago, regarding excessive noise from the courtyard. Trailer Park (located across the street) has complained in the past. I believe both sides may be less than fond of the other.

Could you please head out to Madame Tussauds and check this out as soon as you can? Please let me know what transpires.

Per Madame Tussauds CUP, it says in #9 that "Amplified sound from the first and second floors of the building shall not be audible beyond the subject property." It is not clear to me if this includes the courtyard, which is not technically part of the building. Any thoughts?

Also, I have been planning on a sit-down meeting with both parties + LAPD. Could I count on your presence for this meeting?

Thanks,

Dan,

The noise from them today is totally unacceptable, I can hear it from the South East side of the building. LAPD was out yesterday and we've called them again today. We've had it with this. I want their permit revoked, they have no interest in being a good neighbor.

Subject: COMPLAINT: Madame Tussaud's Hollywood
Importance: High

Hello Sr. Lead Officer Irv Isabella,

You may know my wife, Deputy District Attorney Kaarin Axelsen Forester in the LA County DA's office; she visits LAPD Hollywood Division once a month to assist with case filings. She spoke with your sergeant last Thursday about excessive noise coming from the PA system at Madame Tussaud's Hollywood located at Hollywood and Orange. The sergeant gave me your contact information and suggested we ask for your assistance.

My company Trailer Park is the majority tenant in the building across from Madame Tussaud's (the address is in my signature below). The staff at Madame Tussaud's uses a PA system directed at the street to attract tourists to visit the museum and the volume is excessive causing disruption to our daily business activities which involve supporting the major motion picture studios. Over the last two years we have complained to them directly about the noise level and contacted LAPD numerous times yet the situation continues. The management at Madame Tussaud's recently requested that we report the excessive noise levels to them via a phone number and email address they provided us - duty.manager@merlinentertainments.biz or (213) 595-6231. They continually fail to remedy the situation and no longer respond to the emails or calls, the noise continues to be excessive. Blair Hicks is the contact we've been dealing with recently, his contact information is:

Blair Hicks

Head of Operations

Madame Tussauds Hollywood

Merlin Entertainments Group

6933 Hollywood Blvd. | Hollywood CA 90028

P: 323.798.1671 | M: 323.595.2542

Blair.Hicks@MadameTussaudsHW.com

I am asking for your help in resolving this once and for all. It is a waste of our time to be reporting these issues to them and it is absolutely a terrible waste of LAPD's time to deal with this every time we call. Your team has so many "real" things to be chasing down. I want to point out that there are many businesses in the immediate area that depend on the tourist foot traffic; LA LA Land, Hooters, Wetzel's, Mrs. Garcia's, TCL Chinese Theater, Hard Rock Café are just a few that I can name but yet not one of them engages in the same behavior as Madame Tussaud's. We simply ask that they use the PA system at a reasonable volume that does not disturb the other businesses. If they cannot keep the PA system at a consistently acceptable volume then perhaps the only solution is to outright prevent them from using it at all, none of the other businesses in the area use one.

Thank you,

Michael Forester
